

A Scary Welcome, Everybody,

Yes, It's Halloween Month, and Pat Heading is inviting you to his Halloween lunch and game on Tuesday, the 31st. Judy McCall is joining him in offering a big pot of chili and fixins at 12:30, game at 1:30. SPECIAL ENTICEMENT--wear something Halloweeny and play for 1/2 price. Better yet, be judged Best Costume and play free. This party is for everybody. Players in the morning game can stay for lunch, and play again in the afternoon Open game if you wish. Let's see costumes morning and afternoon!

Top players--

In August Dennis Tудay was also a Top Player in the Wednesday morning game.

They're beginning to show up. Joe Reeves and Esther say they will be here about October 8.

The Board of Directors has terminated its online arrangement with our former provider. Bill McManus has developed an attractive and easier-to-use format for putting our game results on line. Go to the club website, [www.daytonabridge.org](http://www.daytonabridge.org) and you'll see the link. Thanks much, Bill.

The Board would like to begin a program of telephoning bridge players in the area, club members and non-members alike, invite them to our club and offer to make partnerships for them. We also hope to get into transportation assistance. We need players of all levels and phoning can be done from your home. We want to let the bridge community know about our special games, such as the Halloween party, our free lessons, the mentoring program and our online postings. We have much to offer, and we want to tell people about it. There is no compensation, since we are an all-volunteer club. If you are interested, just 'Reply' to me. Thank you.

Our club year is ending this month, and the election of your new Board members will be Monday, November 13. The list of candidates will be posted on the club bulletin board two weeks prior to the election. Quoting from the By-Laws: "Additional nominations, signed by any two club members in good standing, must be included in the (Nominating) Committee's list of nominees."

Our Annual Meeting and installation of new Board members will be Monday, November 20. The Board strongly encourages all members to vote and attend the Annual Meeting.

The Board approved a motto for our club. Ours is the only club in the area that offers beginner's classes, an extensive schedule of free lessons by outstanding teachers, games for players of all levels and opportunities for newer players to play with and be mentored by experienced members. We are truly the club "For

the player who wants to improve." Let's capitalize on these strengths. Tell your friends, players from recreation centers, country clubs and other area games to come to Daytona Metropolitan and watch their bridge improve.

You will see on the monthly schedule that we have a number of Club Appreciation games in October. Masterpoints are awarded on a Sectional basis! Play often, and watch your points grow.

And have a very pleasant game.

Max Bayard
